

## Congratulations for completing the Biometric Screening, the first step of the Personal Wellness Profile (PWP).

A PWP is a comprehensive health risk assessment that evaluates your overall health status. For completing the screening, you've earned **50 WELLthy Reward\$ points**.

1. Biometric Screening
2. **Online Health Risk Assessment**

## Online Health Risk Assessment (HRA) Questionnaire

The second step is to complete the optional health risk assessment (HRA) questionnaire and adding your biometric screening results in part 12 – “health tests.” After completing the HRA, you will receive **50 WELLthy Reward\$ points** and get immediate access to a confidential analysis of your health status, a health score, and guidance on how to improve areas that are outside of any healthy range. Your report will be stored in your account and can be accessed any time for review. This feature allows you to monitor your health status and progress between years.

### Complete the HRA Questionnaire:

- 1 Visit [ventura.org/registervcwell](https://ventura.org/registervcwell)
